

Creator, Connector, Mover, Foundational
Donnielle Carter

Go through each one and see what one feels joyous for you. If an area isn't joyous for you, find someone that does find joy in that area and that can work with you.

Creator = A person or thing that creates

This is the dreamer, the one gets the ideas, the visionary, flashes of insight. Their talent and ability is being able to see what is possible and flesh it out.

Connector = A person or thing that connects

This is the one that is able to talk to people, to "connect" the creator to people that either needs the services, product etc. Their talent and ability is to know who to talk to, when to talk to them and what to say.

Mover = A person or thing that moves, a person who is energetic and ambitious; go getter.

This is the one that dots the I's and crosses the T's. They can make sure chairs, tables, venue, contracts signed, etc. Their talent and ability is to see what is needed and make sure it is there and taken care of.

Foundational = The basis or groundwork of anything

A person who can be all 3; Creator, Connector and Mover.

How much more generative can the world be if we all do what we find joy in?

MAY ALL YOUR DREAMS COME TO.

Thanks for listening
